4801 Crystal Rose Dr   
Mississauga, ON

A self-directed second year student pursuing a BBA and a BCS, with highly logical and detail-oriented thinking. Capable of learning quickly, prioritizing, and working in fast-paced environments

## EXPERIENCE

### Support and Quality Associate

Formulating Change Inc.

Spring 2015

- Conducted extensive testing on company website (Ruby on Rails & MySQL) and elevated priority issues
- Wrote detailed reports on defects found and managed workflow of defects and features of major projects
- Designed and implemented automated website form testing using Javascript
- Compiled and presented real-time company internal metrics using Ruby and VBA
- Regularly worked with LiveEngage, Axosoft, Salesforce, Google Analytics

### Kumon Assistant

Kumon Math and Reading Centre

2013 - 2014

- Assessed students' work
- Taught mathematical concepts and reading/writing skills to students
- Collected over 200 students' information and managed student progress and performance in CMS
